Duke of Edinburgh Bronze Training Expedition:

Sixteen Year 11 students took part in their training expedition for their Bronze Duke of Edinburgh Award. They were based at Sacrewell Farm for the weekend where they learnt camp craft, map reading, cooking and orienteering skills. The students had to plan a walking route from Sacrewell Farm

to Orton Mere, with all their camping equipment and rucksacks. The students had certain check points that they had to pass through where

a member of staff would be based to check the students were walking in the correct direction. All students successfully navigated themselves across the 12km hike into Orton Mere.

During June and July the group will complete the remainder of the other sections of the Award in preparation for their assessed expedition which will take place at Wing Hall, Rutland in September.

Mr Smith

Year 7 and Sixth Form students at Jack Hunt School were treated to a taster day in **Streetball** on Monday 17 March 2008 from professional Streetballer Tom 'The Con Man' Connors and upcoming star Andrew Wilding. Streetball is an upcoming, exciting version of basketball, whereby players use numerous tricks, dummies and skills in order to fool or confuse their opponent to increase chances of scoring.

The event was in support of the schools' Sports Buddies Project, where voluntary Sixth Form students take on the role of a PE mentor for identified Year 7 students, to help develop self confidence in order to access sport on a regular basis. The day was an opportunity for two groups of students to work alongside each other within a sporting environment.

The Year 12 students organised and delivered mini workshops for the Year 7 students who also received specialist coaching from Tom Connors. They were taught tricks and skills commonly used within the game of Streetball. The students enjoyed the chance to take on the professionals in a 2 on 2 game and participated enthusiastically in a mini tournament organised and officiated by their sports buddies.

Jack Hunt Gym and Dance Festival:

On 9 June 2008, 140 students took part in a presentation of Gymnastics and Dance which was produced in curriculum and after school clubs. The display covered work from Year 2 to Year 12. Five Primary schools took part; Middleton students from Years 3 to 6 performed a traditional Country Dance; West Town performed a Chinese Fan Dance with years 2 to 6; Ravensthorpe school Dance Club performed a modern dance; the Beeches school showed an Egyptian Dance which was part of their cross curricular project; Highlees School amazed us with their Roman Dance, they performed in centurion costumes which they had made themselves; Jack Hunt School Dance club performed the Street Dance which they had choreographed.

The finale was from the Untouchables, a group which choreographs their own Urban dance, they stole the show with an amazing, exciting display of drama, athleticism and originality. The group are from Jack Hunt and The Voyager School. Everyone enjoyed the event - it was very exciting

to share the good work that is going on in our family of schools.
