### London 2012

Jack Hunt School has been officially welcomed into the London 2012 Get Set Network, in recognition of their current and future commitment to the Olympic and Paralympic Games.

Sebastian Coe, Chairman of LOCOG, said "I am proud to welcome Jack Hunt School in to the Get Set Network for their exciting work around the Olympic Values of friendship, excellence and respect and the Paralympic Values of inspiration, courage, determination and equality."

Students will be working on projects over the next two years demonstrating their commitment to the values. We look forward to seeing this work. [www.getset.london2012.com](http://www.getset.london2012.com)

### Oarsome

Sam Tuck (Year 12) competed at the recent Henley Royal Regatta participating in the Fawley Cup.

He was part of a quad that went through the knock out round stages easily to qualify for the last 16 races. This was a fantastic achievement as this is a U19 event where there were 54 entrants consisting of many international crews.

Sam unfortunately lost his last 16th race to the Leander Quad who were one of the pre-competition

### Rowing

Well done to James Fox (Year 13) who represented Great Britain at an International rowing competition in Munich. James was competing against many other European crews over the three day competition.

James was part of the Silver medal winning quad boat and was Gold medallist in the double. This is a fantastic achievement.

### Cricket

The U13 Cricket team has been working tirelessly throughout the season to get to the final, of the Fred Trueman Cricket League. This is a league involving schools from Peterborough, Huntingdonshire and Lincolnshire.

The final was held at Burghley Park Cricket Club and we played King Edward VII School from Kings Lynn. After a tense finish to the match the team became 2010 U13 Cricket Champions. Well done to the team.

### Hooptastic!!

Jack Hunt School students took time out from their studies to take part in the Peterborough School Sports Partnership's official attempt to break the world record for continuously hooping for two minutes. At 12.00 pm on 29 June, 86 students started in their attempt where they were not allowed to touch or let their hoop drop to the floor. At the end 66 students stuck to the task and will now go forward as the official numbers to try and break the official world record.

The Jack Hunt students were one school of a larger

group of schools attempting break the world record which included primary and secondary schools from Peterborough, Lincolnshire, Staffordshire, Stoke on Trent, Derbyshire, Tameside and Exeter. This was one of many events being organised in Peterborough and around the country to help celebrate National School Sport Week - [www.schoolsportweek.org](http://www.schoolsportweek.org)

### Paralympics World Cup Athletics – 2010

We took 15 students to watch the Paralympics athletics in Manchester on Tuesday 25 May 2010. The students arrived at school with anticipation of seeing some world class athletes, they were not disappointed as the highlight of the day was seeing the famous Oscar Pistorius win the 100m and 400m sprint, also known as the 'blade runner' Oscar has competed in the able bodied competitions, which is an amazing achievement from a double leg amputee athlete. The students and staff were truly inspired by what they watched and had a very enjoyable day.

### Gifted and Talented

Over the last few months students from Years 7 and 8 have been involved in a Gifted and Talented Leadership Project. The project involves working with our link school in Shanghai, China – 'The Gold Apple School'.

Pupils have been learning Mandarin on a Wednesday after school and have been meeting as a team to discuss the planned exchange which we hope will take place in 2011. During this time, they have been working extremely hard and have been developing letters and discussing ways of gaining funding to help with the cost of the trip.

Well done to everyone who is involved and I look forward to continuing

### Unity Football

Three students from Jack Hunt School represented the Peterborough Unity Football team during the half term holiday. They were part of a selected team of students from across Peterborough.

The tournament comprised of two days of matches at Camber Sands, Sussex.

Well done to Zain Ismail, Ammar Zaib and Awais Naib.

### Cricket trip to Trent Bridge - Nottingham v Lancashire

Twenty nine students from Jack Hunt made for most of them their first trip ever to Trent Bridge. There was lots of excitement as we started our journey, a variety of Key Stage 3 students both boys and girls with a couple of Key Stage 4 students attended.

Some of our more enthusiastic staff members managed to make posters to bring along in support of Lancashire which Miss Grant managed to persuade all of the students on the way up in the bus to support. With the excitement and the posters we managed to get ourselves live on Sky sports, confirming the fact as we all received texts messages from friends and family saying that they had spotted us on the TV.

A great time had by all who went, but Nottingham turning out to be the better team in the end.

### Year 8 - Go Ride

90 Year 8 students have recently had the opportunity of completing two cycling taster sessions with an instructor from British Cycling through a 'Go Ride' Cycling Programme sponsored by Sky Sports. This involved the students learning how to ride a bike including gear changing, mounting and dismounting through a variety of fun and exciting activities. 20 students were then selected by the instructors to complete four sessions of intense training focusing on skills for cycle racing in preparation for an inter schools cycling competition. Watch this space for the results of that competition.

## Swimming

On Tuesday 29 June 2010 a group of nine swimmers competed at the Cambridgeshire Schools Individual Championships in Huntingdon. In order to qualify for this event, competitors needed to have previously achieved a pre-set qualifying time so that the field was fairly matched. The winners from Tuesday's event will go on to represent Cambridgeshire.

The students competed in a range of individual events over three different age groups. Jack Hunt entered a number of events with five students competing in the junior age group (Years 7 and 8), two at intermediates (Year 9 and 10) and two senior swimmers from years 11 and 12. All students swam really well and we achieved some very successful results. I would like to take this opportunity to congratulate Tom, Samantha and Gemma Stokes, Joe and Haydn Tankard, Ottavio and Dario Tanzillo, James Newton and Daniel Brown on their fantastic achievement, and we await confirmation of any places in the Cambridgeshire squad with anticipation.

## Year 6 Sports

Over 150 students from our partner primary schools participated in our Top Link Year 6 Festival.

This event was completely organised by our Year 12 Sports Leaders and encouraged students to work towards achieving the Olympic and Paralympic values. The event was attended by John Coleman and Rachel Patman from Lloyds TSB who generously supplied the winning medals.

## Olympics Competition Winner

Amar Saqlain - Winner of the Winter Olympics Schools Competition which took place in February. Here pictured with his winning Adidas Bag and Water Bottle from the Official London 2012 Olympic Committee - well done.

Miss Jeal

## Subbuteo

What started as a childhood pastime when Sam Curtis was 9 years old has resulted in him getting a World Championship under his belt earlier this year. Sam has been playing in Subbuteo competitions since 2006 and competes in around two competitions a month. Subbuteo, the table football with the famous 'flick', is a hugely popular sport amongst young and old alike.

Sam has so far competed in three World Championships and he was crowned World U15 Subbuteo Champion between January and March which is a huge achievement. He is currently ranked 2<sup>nd</sup> in the World.

Mr Blant

## Evening Telegraph Education Awards

Congratulations to Matt Newton (Year 9) who was Highly Commended at the Evening Telegraph Education Awards for his community volunteering.

A big well done also goes to Mr Smith who received a Commendation Award for the support he shows students in his role as a PE Teaching Assistant.

Mr Game

## Bag Packing

Girls from Year 7, 8, 9 and 10 went to Morrison's to pack bags to raise money to buy smart jackets for fixtures 'dress for success' where they raised £312.10. Well done for a very successful evening, students received very positive feedback from members of the public and they represented the school very well.

Miss Jeal

## Rounders

Year 7 girls win Peterborough Schools Rounders Tournament.

Year 8 girls came second, missing out on first place by one rounder!

Well done girls

Miss Jeal
