### CONGRATULATIONS TO LEWIS HOOK (YEAR 10)

Lewis has recently travelled to Finland to represent Great Britain in an Ice Hockey Skills Challenge to find the best Under 16 players to take part in the first ever Youth Winter Olympics.

Lewis worked extremely hard to finish 9th and qualify to take part in the new skill based Olympic event. This is a truly fantastic achievement and great reward for all the hard work Lewis puts into his sport.

In January 2012, Lewis will travel to Innsbruck, Austria to participate in the games. We wish him good luck and every success and look forward to hearing how he does.

### Youth Games Plus - June 2011

For the second year in succession three teams of hearing and physically impaired students took part in the Youth Games Plus at the St Ives Outdoor Sports Complex in St Ives, Cambridgeshire. Our two Boccia teams won Bronze and Silver Medals whilst the Netball team won the overall competition and were Gold Medal winners. He had an excellent performance in the 100m finishing 4<sup>th</sup> in his heat. In the 4 x 100m final Ashley significantly contributed to his team finishing 3<sup>rd</sup>. This is an excellent achievement.

Well done Ashley.

Dan is in COPS Gold Squad and trains seven times per week. His usual training pattern is:

|                        |   |
|------------------------|---|
| Monday 4pm- 6.30pm     | Thursday 4pm - 6.30pm                   |
| Tuesday 5.30am - 7am   | Friday 5.30am - 7am                     |
| Wednesday 5.30am - 7am | Sunday 12.30pm - 2.30pm or 4pm - 6.30pm |
| Thursday 6am - 8am     |   |

If you think your life is busy, over the past couple of weeks Dan has also been doing open water training at Tallington Lakes on a Wednesday night. In addition to his swimming, Dan also finds time to take part in rowing and in November 2010 was part of a J13 quad that won a Gold Medal at the British Indoor Rowing Championships in Birmingham.

As you can see Dan is working immensely hard to be the best he can be. His sporting role model is Olympic Champion, Michael Phelps and Dan himself would like to achieve a standard where he can represent his Country in major championships. We wish him well and good luck.

## Under 15 Cricket

Now that the Cricket season has finished, it might be nice to reflect on one of the Jack Hunt team's in particular who had many excellent games in a range of competitions.

Early in the Peterborough Schools Competition they had some convincing wins against opposition such as Stanground where they were 159 for 4 and Stanground only managed 115 for 4. Unfortunately this winning streak did not last and they were defeated by Orton Longueville. At the end of the competition the Under 15s finished 3<sup>rd</sup> in the table with both Orton Longueville and Stanground finishing above.

The team was entered for the first time into the Huntingdonshire ESCA 20/20 Competition where they were drawn in the first match against Thomas Deacon Academy. After an excellent performance, Jack Hunt won by 7 wickets. The win propelled them through to the semi finals of the Huntingdonshire draw against Stanground where we beat them by 55 runs, again another good win.

A bye in the Huntingdonshire final allowed them to travel to Ipswich for the quarter finals of the regional competition against Ipswich School. The boys really did themselves proud! They opened the game bowling and took 4 wickets in the first 30 minutes of the game. Unfortunately the team did not maintain this level of performance and the Ipswich side gradually improved their play and became more confident. After a nervous batting performance Jack Hunt lost the game. I would like to congratulate all who played on the team, don't worry there is always next year.

Well done boys!

## Duke of Edinburgh Award Update

60 Year 10 students recently completed their Bronze Duke of Edinburgh Award assessed

expedition at Wing Hall in Rutland. The students were required to train, plan for and take part in a self-sufficient journey over 2 days and 1 night. The students worked in groups of 6/7 to plan their walking route to ensure they passed through and met with the assessor and completed the walk with a night's camping at Wing Hall. Students demonstrated excellent map reading skills, team work and leadership throughout the expedition and are working well to gain their Award in the autumn term.

Silver and Gold Award students are taking part in their expeditions over the weekend of Saturday 16 July. Silver Award students are completing their assessed expedition in the Manifold Valley, The Peak District with the Gold Award students completing their practice expedition in Mid Wales. Good luck to all students.

Year 9 students that have successfully applied to take part in the Award will be notified by letter before the end of the summer term.

## Lauren Steadman

Gifted and Talented athletes had the privilege of meeting Paralympic Swimmer Lauren Steadman as part of our Junior Athlete Education Programme.

Lauren was born without her right hand and arm below the elbow joint. She was part of the successful team of Paralympic swimmers that competed in the Beijing Olympics.

Lauren is now training hard to compete at the London 2012 Games. She has just finished her A Levels and was able to answer questions from students regarding her training, managing her busy schedule, the coaching she receives and how she maintains such a high level of motivation.

## Olympic Primary Schools Festival

Peterborough United Football Club's, Director of Football, Barry Fry was invited to open the Year 6 Olympic Festival held on Friday 1 July. He set the event off at a pace, motivating the pupils to do well and strive to achieve certificates for the Olympic Values of Determination and Respect. The Year 6 pupils from our Partner Primary Schools participated in a range of sporting activities including target games, team based activities, striking games and multi-skills.

West Town and Sacred Heart Primary Schools were the two winning teams with Longthorpe, Highlees and Ravensthorpe Primary Schools close behind.

All the activities were organised and led by Year 12 and Year 10 Sports Leaders who did a fantastic job running the event. The day also proved a great opportunity for the pupils to meet the older students before they join the school in September.

The Year 6 pupils thoroughly enjoyed the fantastic variety of different types of sporting events, which gave everyone the opportunity to try new skills and the Sports Leaders were a great asset using their leadership skills to the full.

## Olympic and Paralympic Values

To celebrate the London 2012 Olympic Games we are encouraging students to be Active Citizens by sharing any success stories or any volunteering they do in or outside of school and linking it to one of the Olympic or Paralympic Values – Determination, Friendship, Personal Excellence, Courage, Inspiration, Respect and Equality.

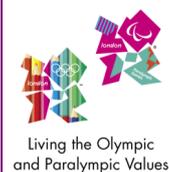

As part of our Olympic countdown every 100 days, students will have the opportunity to complete an Active Citizen postcard sharing their story with the rest of school. The Student Council will then decide which students will receive a 2012 pin badge which are awarded in assemblies. An example of a successful story is from Jack Hutchinson, a Year 10 student who has trained really hard and developed his skill level to play in the County Rugby Team, therefore achieving personal excellence.

The first recipients of the pin badges are:

Hayley Mitchell  
Nadia Mian  
Shannon McGrath  
Jack Hutchinson

Sumayya Manji  
Safiullah Sharif  
Olivia Murphy  
Callum Lytle

Salina Chavda  
Georgia Allen  
Ivar Van Ver Schans
