## **1. Introduction**

- 1.1 This policy is to be read in conjunction with the school's Behaviour Policy <https://www.jackhunt.peterborough.sch.uk/attachments/download.asp?file=661&type=pdf>
- 1.2 In keeping with the philosophy embodied in the school statement, all members of the Jack Hunt community will be treated with respect and their uniqueness celebrated. Bullying in all its forms will not be tolerated under any circumstances. Any incident of bullying or intimidation will be dealt with swiftly in a fair and firm manner using restorative practices. The procedures set down in this policy are intended to both prevent incidents of bullying and intimidation and deal with them if they do arise.
- 1.3 It will be the policy of the school to provide support for both the victim and the perpetrator and provide guidance to prevent the problems from arising again. Through this policy we will seek to protect those who are bullied and attempt to provide them with strategies to empower them and strategies to deal with incidents of bullying. It will also seek to help the perpetrator to accept responsibility for their actions and address his or her offending behaviour.
- 1.4 It is the policy of the school that all members of the Jack Hunt community are able to benefit from a safe and secure environment and take advantage of the opportunities available here at the school.

## **2. Definition of Bullying**

- 2.1 In short, 'bullying' is any action on the part of an individual or group that causes fear, misery, upset, pain or psychological hurt to an individual or group as is perceived by the victim.
- 2.2 How does bullying differ from teasing / falling out between friends or other types of aggressive behaviour?
- (a) There is a deliberate intention to hurt or humiliate.
  - (b) There is a power imbalance that makes it hard for the victim to defend themselves.
  - (c) It is usually persistent.
- 2.3 Occasionally an incident may be deemed to be bullying even if the behaviour has not been repeated or persistent – if it fulfils all other descriptions of bullying. This possibility should be considered, particularly in cases of: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; or when children with other vulnerabilities are involved. If the victim could be in danger then intervention is urgently required. All incidents relating to protected

characteristics must be reported, logged and monitored. Protected characteristics: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex

- 2.4 These must be reported by the member of staff dealing with the issue to [Kcliffe@jhs.pkat.co.uk](mailto:Kcliffe@jhs.pkat.co.uk) or [NAbbott@jhs.pkat.co.uk](mailto:NAbbott@jhs.pkat.co.uk) . If further support is needed please contact the student's Head of House.

- 4.1 We recognise the fact that bullying can and does take place in the school. It is not appropriate to say that it doesn't happen here.

  - (a) Students;
  - (b) Students and Staff Members;
  - (c) Staff Members; and/or
  - (d) Individuals or groups.
- 4.3 Certain groups of students are known to be particularly vulnerable to bullying by others. These may include: students with Special Educational Needs or Disability (SEND) such as learning or physical disabilities; young carers, Children in Care (CiC); those from ethnic and racial minority groups and those young people who may be perceived as lesbian, gay, bi-sexual, transgender, non-binary or questioning their gender.

#### **5. Reporting and Responding to Bullying**

- 5.1 Our school has clear and well publicised systems to report bullying for the whole school community (including: staff, parents/carers, children and young people) this includes those who are the victims of bullying or have witnessed bullying behaviour (bystanders).
- 5.2 There are various ways to report bullying:
  - (a) Students should report any incidents of bullying to their Personal Tutor, Student Support Officer (SSO) or Head of House (HOH).

- (b) Parents / Carers should phone to speak to the SSO or HOH, if the staff member is not available, the parent should give a brief outline of the incident to the receptionist who must then ensure that the information is shared with the HOH or SSO with immediate effect. The parent should expect a call back the same day. Arrangements will be made by the School to facilitate parents who do not have English as a first language in order to open up dialogue and be able to express concerns where possible.
- (c) All staff and visitors to report directly to reception, providing as much detail as possible to the Senior Leader responsible for complaints.
- (d) Bystanders should report any incident of bullying to their Personal Tutor, SSO or HOH. Reports will be dealt with confidentiality and sensitivity.

5.3 When an incident is reported, the following should take place:

- (a) Students
  - (i) Written responses and details to be collected from those involved by the member of staff dealing with the issue, this should be led by the HOH of the instigator or perpetrator. Statements should be collated from those involved and witnesses / bystanders.
  - (ii) The person or persons who have been doing the bullying are spoken to by a member of staff. The purpose is to give the bully an opportunity to explain and given an opportunity to take responsibility, and to be reminded how serious the school considers the issue of bullying. Restorative approaches will be used so the bully understands the effect their actions have on the victim.
  - (iii) In most circumstances it will be appropriate for all those involved to be brought together with appropriate members of staff to discuss the situation and to agree a solution to the problem using a restorative approach. The members of staff act as support and will chair the meeting.
  - (iv) The SSO should ensure that all relevant staff are informed of the problem, this should include the Personal Tutor and HoH.
  - (v) All parents will be informed of the facts and when and, if appropriate, involved in discussions in school. Personal Tutors and Heads of House will be involved in these meetings.
  - (vi) Appropriate sanctions will be applied depending upon the nature and degree of bullying.
  - (vii) If appropriate: counselling / mentoring will be arranged with a suitable member of staff.

- (viii) From the outset the situation should be carefully monitored by the SSO and Personal Tutor who will keep each other and the HOH informed.
  - (ix) If a student is being bullied because of personal hygiene or other personal issues, the HoH/SSO may speak to the parent /carer and if appropriate will address any issues sensitively.
  - (x) All staff must report an incident to the Senior Leadership Team (SLT) member responsible for Wellbeing relating to a protected characteristic. See Appendix A.
- (b) Bullying by a Staff Member
- (i) The school has a duty to follow up any incidents relating to a member of staff who is alleged to be responsible of a possible bullying incident. This should be reported directly to the Head Teacher, Mr Hebblethwaite The Headteacher will contact the LADO if necessary. The Headteacher will refer to the Bullying and Harassment Policy as appropriate. If the allegation is about then Headteacher, then the CEO of PKAT should be contacted.
- (c) Bullying between Staff
- (i) Refer to the Staff Code of Conduct and the Staff Bullying and Harassment Policy.

## **6. Recording Bullying and Evaluating the Policy**

- 6.1 Bullying incidents will be recorded by the member of staff who deals with the incident and this will be passed to the SSO who will update the HoH and record the incident on SIMs, including the procedures used to resolve the situation.
- 6.2 The information we hold will be used to ensure individual incidents are followed up. It will also be used to identify trends and inform preventative work in school and development of the policy.
- 6.3 Incidents of bullying relating to protected characteristics will be presented to the Governors in an anonymous format as part of the annual report.
