

OCR Cambridge National Level 1/2 Certificate in **Health & Social Care**

Units covered in this qualification:

R022—Communication in Health & Social Care

R021— Essential Values of Care

R031—Basic First Aid Procedures

R023—Understanding Body Systems

Where are we at this stage?

R023—will be complete by October

R031—will be complete by Spring 2021

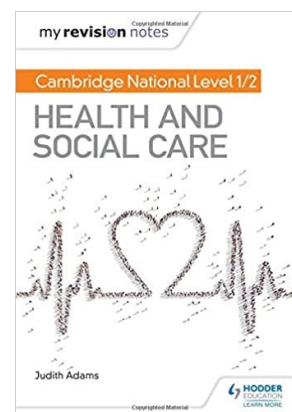

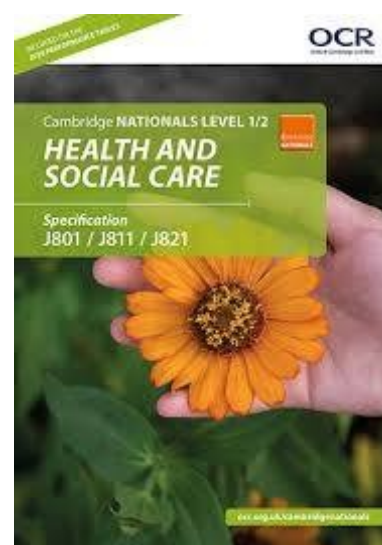

R022—teaching & coursework to start in the Spring term and complete by May

R021—this is the exam your child was due to sit in June of this year but didn't. Students are now getting re-taught this topic and will sit their **real exam in January 2021** with the option to re-sit in the summer if they feel they need to.

Revision aids—if you would like to purchase a revision guide for the exam, then the book listed below is recommended.

- My Revision Notes: Cambridge National Level 1/2 Health & Social Care

Please note that there is no obligation to purchase this and students will be provided with revision resources via Firefly as well.

How best to support your child in this qualification:

- Encourage preparation for coursework (coursework is written in school)
- Support revision for their R021 exam in January. Students have booklets for use in school, but revision booklets will also be made available electronically by the end of this half term.

If you or your child has any queries or questions, please contact:

Mrs Waters

Lead Teacher of Health & Social Care
